

CalWORKS PROGRAM
FACT SHEET
August 2007

Program Purpose

The purpose of the California Work Opportunity and Responsibility to Kids (CalWORKs) program is to:

- promote and encourage work to enable families to become self-sufficient
 - provide financial aid for children who lack financial support and care
 - protect and preserve the family unit
 - provide the opportunity for rehabilitation of the family whenever possible
 - make available to children who cannot live in their own homes the kind of care and treatment best suited to their needs
-

Eligibility factors

Basic eligibility factors for a child(ren) and a needy parent(s) or caretaker relative include:

Deprivation - the aided child must be deprived of parental support or care because at least one parent is:

- deceased; or
- either physically or mentally incapacitated; or
- the applicant parent is not working or working less than 100 hours per month; or
- continually absent from the home.

Age - children may be eligible for CalWORKs until their 18th birthday or are 18 years old and in high school or vocational school full time and are expected to complete either program before their 19th birthday.

Property- The property of a child and the parent(s) must be under the following limits:

- Families without elderly members may have \$2,000 combined personal and real property per family. Families with elderly members (those who are 60 years of age or older) may have \$3,000 combined personal and real property per family. Furniture, clothing, and appliances are exempt. The family home is exempt provided the family lives in the home. The value of one automobile up to \$4650 is exempt.

Residence - There are no durational residency requirements for the CalWORKs program. Families who make their residence in California and who intend to continue to live in California may be eligible. Family members must be legal residents of the United States.

Applying for aid

The application for CalWORKs includes completion of eligibility forms and an interview with a case manager. Aid cannot begin until all conditions of eligibility have been verified. These conditions include, but are not limited to:

- cooperating with the District Attorney for establishing paternity and securing child support from the absent parent.
- applying for a Social Security number.
- verifying citizenship, or showing proof of legal immigration status.
- verifying income and property.
- applying for potentially available income such as UIB.

Immediate need payments may be made for families with emergency situations while the CalWORKs application is being processed. The maximum immediate need payment is \$200.

Income limits for applicants

CalWORKs regulations provide for a gross income limit which is determined by subtracting \$90 from the earned income of each employed person, then adding all remaining earned and unearned income to determine the gross income for family. That amount is then compared to the MBSAC level for the family size. If the family's total gross income after the \$90 deduction/s exceeds the MBSAC level for the family size, the family is not eligible.

MBSAC

The following chart reflects the current (7/01/2005) MBSAC levels:

# of Persons	MBSAC Amount
1	\$479
2	\$787
3	\$975
4	\$1159
5	\$1322
6	\$1487
7	\$1631
8	\$1779
9	\$1924
10	\$2094
More than 10 add \$19 for each extra person	

Client responsibility

Once aid is granted, the CalWORKs family must report changes in their income, household composition, and property to their Eligibility Worker every quarter on their Quarterly Eligibility/Status Report (QR 7). Some other things must be reported within 10 days of occurrence: a member of the household becomes a fleeing felon, is convicted of a drug felony, violates a condition of parole/probation or the combined earned and unearned income of the household exceeds the Income Reporting Threshold (IRT) for their household size.

An annual redetermination of eligibility is required for CalWORKs recipients.

MAP levels The Maximum Aid Payment (MAP) level is established by the California State Legislature based on family size. Families who do not have any income other than CalWORKs receive MAP.

MAP levels vary based on whether or not the adults in the household are able to work.

The MAP level for households with adult caretakers who are able to work is lower than the MAP level for households with adult caretakers who are not able to work. This is called the **NON EXEMPT MAP LEVEL**.

When the adults in the household are not able to work because of a temporary or permanent incapacity, or because the adult is a teen parent who attends high school, the family receives a higher MAP. Child only cases, i.e., cases where no adults are receiving aid, also receive the higher MAP level. This is called the **EXEMPT MAP LEVEL**.

The following chart reflects the current (8/01/2005) NON EXEMPT MAP, and EXEMPT MAP levels.

# Persons on Aid	NON EXEMPT MAP	EXEMPT MAP
1	\$340	\$378
2	\$555	\$623
3	\$689	\$771
4	\$821	\$916
5	\$934	\$1045
6	\$1049	\$1172
7	\$1150	\$1288
8	\$1255	\$1403
9	\$1356	\$1518
10 or more	\$1456	\$1629

Work disregards When a cash aid recipient is employed or receives disability based income, CalWORKs regulations allow the following deductions from the gross income:

- \$225.00 from the combined disability based income and/or earnings
- 50% of the earnings remaining *after* the \$225.00 is deducted

Any income remaining after the deductions are subtracted from the gross income is then subtracted from the MAP amount to determine the amount of the CalWORKs grant.

Homeless Assistance Families who are eligible for CalWORKs and who are homeless can apply for a special need payment to meet their costs for temporary and permanent housing. The maximum Homeless Assistance payment is based on size of the CalWORKs family. Homeless Assistance is available only once in a lifetime unless the family is homeless due to domestic violence, natural disaster, uninhabitability, or a physical or mental disability. All exceptions must be verified by a third party agency.

VAPP CalWORKs recipients may request that their rent or mortgage payment be paid directly to their landlord or mortgage holder. The rent or mortgage amount is deducted from the cash aid payment made to the recipient.

Direct Deposit CalWORKs recipients may request that their cash aid be automatically deposited into their personal bank account. Applications with instructions for this program are available at each bureau.

Cal Learn Pregnant or parenting teens who have not graduated from high school are required to participate in the Cal Learn program. Components of the Cal Learn program include:

- teens must attend school and submit their report card to their Cal Learn case manager; and
- teens are paid a bonus for satisfactory school progress or high school graduation; or
- teens who do not attend school or fail to maintain adequate school progress receive a financial sanction.

Medi-Cal Family members who receive CalWORKs would generally be eligible to receive Medi-Cal benefits at no share of cost. A separate application is not required.

Food Stamps If a family is found to be eligible for CalWORKs, the family may also be eligible to participate in the Food Stamp Program. A separate application is not required.
