RSVP - An Invitation to Serve

July, August, September - 2009

## Dear Volunteers:

It has been my delight to meet and work with you for the last 15 years. You are what made the job so interesting for me. I have just retired from RSVP and Sacramento County - nudged by the budget cuts - and will be exploring volunteer opportunities as you have been doing. I'm hoping our paths will continue to cross.

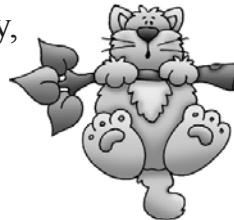

*Carolyn Kneedler*

## Hello Everyone!

As you can see Carolyn has retired. Now she can become an RSVP volunteers and I'm sure she will. We will miss her and her enthusiasm for the program and the volunteers. All we can do now is hang in there because it's just me and the great office volunteers.

Just wanted to remind you of the Recognition event on October 30<sup>th</sup> at the Sierra Health Foundation facility. Space is very limited so we need you to respond by October 15<sup>th</sup>. It is a beautiful location and their hospitality is superb. Hope to see you there!

Sincerely,  
*Laureen*
